

Informative online-event about financial support for self-help groups and self-organised initiatives dealing with social issues

Monday the 19th of December 2022, online: 6:30 p.m. – 8 p.m.

Self-help groups and self-organised initiatives dealing with social issues can receive financial help from the state capital Munich to support their voluntary commitment.

In this event you will learn more about the ambitions of the city of Munich of the funding of self-help groups and self-organized initiatives. Furthermore, you will learn about issuing an application of funding support and of issuing a report of expenditure of funds.

Following questions will be clarified:

- Who receives funding?
- What is funding available for?
- How does funding work?
- What does the funding application look like?

Speaker: Eva Parashar (SHZ)
